15. Multidisciplinary / interdisciplinary					
<p>To transform to a holistic and multidisciplinary institution, the College aims to take initiatives to start different courses to develop all capacities of human beings-intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner. To achieve this objective, it has been offering post graduate courses in Bio-physics, UG and PG in Vocational courses on Food Processing and Quality Management, Software Development and System Administration (IT). To integrate the humanities and science with Science, Technology, Engineering and Mathematics (STEM), the institution has been running B. Voc and M. Voc on Food Processing and Quality Management, Software Development and System Administration (IT). Students from arts and science can enroll in B. Voc programs. Initiatives have been taken for opening Integrated B. Ed. Courses alongwith diploma/certificate courses on Yoga and Pranayam, Skill Development, Mushroom Cultivation, Performing Arts and Folk Dances, etc. The objective of these courses is to develop positive learning outcomes, including increased creativity and innovation, critical thinking, problem-solving abilities, communication skills, more in-depth learning and mastery of curricula across fields, increase in social and moral awareness, etc. The institution aims to provide a conducive environment to develop research through a holistic and multidisciplinary education approach. It aims to offer multidisciplinary flexible curriculum with multiple entry and exit opportunities as per NEP 2020. It aims to register in Academic Bank of Credit if it is approved by the constituent authorities. The College aims to move towards high-quality</p>					

holistic and multidisciplinary education to find solutions to society's most pressing issues and challenges.

16.Academic bank of credits (ABC):

Pub kamrup College is an affiliated institution under Gauhati University. The college, though not registered under Academic Bank of Credits, aims to fulfill the requirements of ABC as envisaged in NEP, 2020. The college adheres to the norms and guidelines prescribed by the affiliating university. In addition, efforts have been made to collaborate with various institutions by the college at national and state level to strengthen research culture which will facilitate multiple entries and exists among the colleges in the long run.

17.Skill development:

The college has been providing B. Voc and M. Voc courses on Food Processing and Quality Management and Software Development and System Administration (IT) in accordance with National Skills Qualifications Framework. It has been offering PG courses on Computer Science. Continuous efforts have been undertaken to promote the soft skill of students by organizing workshops/ seminars, etc in collaboration with different organizations/ institutions. All departments have been offering Skill Enhancement courses as per the affiliating university guidelines and syllabus. Skill enhancement course on 'Public Speaking Skill' and 'Writing Bio-data and Facing an Interview' by the department of Education is a good example of it. The college has MoUs with SS Technology, Guwahati, ICT Academy, Tamilnadu, Indian Institute of Entrepreneurship (IIE), Guwahati, Sagar Coir Products, Nalbari and Mushroom Development Foundation for enhancing skill, vocational training, etc. The college organizes different workshops/ seminars/ training, etc to enhance skill of students. The college offers internship/ summer project, etc opportunities to students in collaboration with others. The college has been selected to set up Skill Hub to implement the scheme 'Pradhan Mantri Kaushal Vikas Yojana (PMKVY)'. Organization of workshop on 'Yoga and Pranayam', observation of the World Environment Day, observation of Gender Week, starting of certificate courses on Satriya Nritya, Borgeet and Khol under Sankardeva Study Centre of the college are good initiatives to inculcate positivity amongst students. The college is ready to provide vocational courses for all the students as per the guidelines of NEP, 2020

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The college is seriously pondering over introducing certificate/diploma/degree courses in regional languages. At present only the Assamese language is being taught by Assamese Department of the college at undergraduate level. If the affiliating University gives nod, the college will surely introduce PG in Assamese language. The current method of teaching in all the departments of the college is such that it incorporates regional language in the methodology of teaching. For example the department of Assamese deals with more than one MIL (Hindi, Bengali, etc.) in the paper named Comparative Indian Literature as a part of the prescribed syllabus of the affiliating university. Non-Aryan and Tribal Languages are also part of discussion in this regard. The college has ever been emphasizing on history and culture of the country. Many topics of Indian ancient traditional knowledge have been taught by the department of Assamese and Philosophy in their curriculum. Knowledge and philosophy of the Gita, Veda, Upanishada are also taught. The formation of Committee of Cultural Development is an initiative in this regard. Moreover certificate courses on Satriya Nritya, Khol Badya and Borgeet under Sankardeva Study Centre have been offered. Extra-curricular activities such as cultural rally are an example how the college is trying to make student aware of their culture and folklore. The college observes International Yoga Day and organizes workshop on Yoga and Pranayam.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The college always gives importance in setting up of standards in the teaching-learning process in regard of qualities, values, attitudes, knowledge and skill to shape the student fraternity more competent citizens and professionals. The college tries to achieve the goal of enhancing knowledge and skill through well designed teaching plans and lesson plans. For achieving the goal, it follows its own academic calendar. To make the students more competent, the departments organize seminars/ workshop/Group Discussion/ symposium, etc. The departments arrange field trip/ education tour, etc for the students as per the need of the curriculum. The college encourages the students for internship/ summer training, etc. A number of professional courses like BBA, BCA and B. Voc programmes in Software Development and System Administration and Food Processing and Quality Management are offered to promote the skills and quality of students by the college. The college is offering PG courses on Physics, Zoology, Computer Science, Biophysics and M. Voc courses on Food Processing and Quality Management in alignment with National

Skill Framework. While formulating the teaching methodology there is always an effort on the part of the teaching fraternity to make teaching based on outcome. To enhance the skill of the students, it offers UG and PG in vocational courses on Software Development and System Administration (IT) and Food Processing and Quality Management. Skill based certificate course on Mushroom Cultivation is being provided.

20.Distance education/online education:

The college has the potentiality to offer education in ODL and Blended Learning mode in different disciplines including vocational courses. The college has 11 numbers ICT enable classroom. The availability of Food and computer labs are important earmark to offer vocational courses through ODL. The institution has an E resource access Centre with Wi-Fi internet facility. For effective online and blended learning, the college has already installed high-speed internet connectivity by signing an MoU with AMTRON, Govt. of Assam. The teaching fraternity is experienced to offer online teaching by using the Apps like Google classroom, Zoom, Google Meet, etc as necessitated due to pandemic situation. The library provides e-access to its resources through NLIST. The links of NDLI, e pg Pathsala are provided through the library webpage. For e journals, open access platforms like, DOAJ (Directory of Open Access Journals) and Indian Academy of Sciences Journal are made available on the library webpage. The college uses ERP modules and has increased the use of E-governance. The college has a study centre of Krishna Kanta Handique State Open University (KKSOU). The college plans to equip with necessary tools and techniques for online learning with the existing ones. The college encourages faculty to organize as well as attend FDPs for MOOCs, and increase their participation in MOOCs. The college organized a two-day workshop on MOOC to facilitate teachers with knowledge in open online courses. It organizes a Faculty Development Programme on "Presentation and Communication Skills" from 22-26th May, 2023. There are more such plans to organize workshop or FDP for promoting online teaching learning system.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Academic calendar: Academic Committee prepares the Academic Calendar as per the Academic Calendar of Gauhati University and Assam Science and Technology University. It insists on the completion of the syllabus through proper division of class days and working days. The dates of commencement and completion of semesters, practical examination, mid-semester break, etc are stated in Academic Calendar and uploaded on website. Observation of different days of state and national importance, festivals, Students' Council Election, etc are set by Academic Calendar.

Continuous Internal Assessment: College ensures that Internal Assessments are organized in time bound and transparent manner.

Internal Assessment modalities are fixed by affiliating Universities and followed by the College. Sessional Examination Committees are created. Sessional examination for 20 marks out of 100 marks is conducted. Students', whose performances are not satisfactory, are given another chance to improve themselves. Students are also assessed through different modes like Quizzes, group discussion, involvement with co-curricular activities, attendance, etc. Complete internal assessments of students are done on the basis of marks of Sessional examination and assessment at departmental level. After evaluation of tests/assignments, etc., remarks are shared with the students. Internal Assessment related grievances are properly addressed and marks are forwarded to the University.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college always emphasizes on transparent and robust assessment and evaluation process.

For transparency:

- Internal/ sessional examination is always conducted as per the Academic calendar.
- The Sessional examination committee prepares the common examination schedule and communicates to the students through the college notice board. Department's teachers also inform the students through Whatsapp, etc..
- Departmental faculties set the question papers and submitted to the Sessional examination committee through the HoDs.
- The internal evaluation is done as per the rule of the affiliating universities.

- The departments declare the syllabus and pattern of the scheduled test to the students.
- Opportunity is given to the students to reappear in internal tests, if they fail to appear due to valid reasons.
- After evaluation, the answer sheets are shown to students for their information.
- For any query or grievances, students may approach the Head of the concerned subject.
- The internal marks are submitted to the online portal of affiliating university.

For robustness in frequency and variety:

- Internal examinations are compulsory for all students.
- Field visit, visit to institution/industry, survey works, seminars and extension activities are also constituent part of internal assessment.
- The home assignment is a regular practice to assess the students.

Internal assessment is also done through participation in co-scholastic activities

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The college gives emphasis in identifying and resolving the difficulties and grievances faced by the students related to the affiliating university examinations- both internal assessment and external examinations. The Grievance Redressal Cell is entrusted to look into the matter of internal assessment/ Sessional examination related grievances and appropriate measures are taken within the specific time limit.

Grievances related to University examination:

- For grievance regarding marks of a paper/ course, the college collects complaint from student and forwards to

University.

- The college forwards students application for re-scrutiny or re-evaluation of answer scripts to the University.
- For errors with respect to students' attendance in the examination, the college sends the duly certified attendance sheet to the University.
- The grievances related to the name of student, course, programme are resolved by communicating with University.

Grievances related to Internal examination:

- If any discrepancies related to evaluation are reported by the students, then they are immediately tried to resolve by the faculty members at departmental level.
- For any grievance, the students can apply to the Grievance Redressal Cell. The Cell resolves the issues through meeting. The head of the respective department is also contacted to resolve the issue.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college adopts methods and mechanisms of assessment for the attainment of POs and COs. The IQAC thoroughly analyses the results of the assessment and evaluation. Appropriate measures are taken to achieve the outcome to the desired level.

- The results of the university examinations at the end of each semester are keenly and systematically analyzed by the departments concerned and Academic Committee of the college.
- Students' performance in class tests, seminars, group discussion, debate, etc is also used as a measure to assess the attainment of COs and POs.
- The performance of students in co-scholastic activities also act as a pointer for learning outcomes.
- The feedbacks from students, teachers, employers and Student Satisfaction Survey are used as a tool to improve the limitation in the attainment of the learning outcomes and also to chalk out correctivemeasures.
- Academic and Administrative Audits are conducted to testify the attainment of COs,POs and PSOs.

- Students' understanding of the COs, POs and PSOs are measured and assessed through internal assessment, practicals and end semester examination.
- POs and COs are also evaluated through the progression of students enrolling for higher education and qualifying for various competitive examinations.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC of the College is instrumental in suggesting and implementing a number of quality improvement measures. Following are the two major practices that have been institutionalized as a result of IQAC initiatives.

Teaching and Learning

To improve the teaching-learning process, Academic Committee meeting has been organized twice in a Semester- at the beginning and at the end of odd and even semesters. At the 1st meeting, all the faculties are suggested to conduct the classes as per the teaching and lesson plans. At the second meeting, information of course completion, internal assessment, etc., are collected and necessary suggestions are given. Suggestions for bridge courses, induction programme and remedial classes are given.

Mentoring the Students

The objective of the Practice is to motivate, support and guide the mentees to face the academic and non-academic challenges. Mentoring is followed by every department under a prescribed mechanism of record keeping sheets and grouping of mentees. Mentees are divided semester wise and concerned HODs appoint mentors for different semesters. Counselors are also invited to

provide mentoring.

The following initiatives are also taken by IQAC:

- Preparation of Perspective plan.
- Preparation of Academic Calendar.
- Timely submission of AQAR
- Collection and analysis of stakeholders' feedbacks.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

IQAC reviews the teaching-learning process and methodologies of operations, learning outcomes in a planned manner as follows.

1. **Planning and Evaluation of Teaching-Learning:** Effective teaching requires proper planning. To meet this objective, IQAC prepares the Academic Calendar and formats of Teaching-Lesson Plans and reviewed in Academic Committee Meeting. After approval, the plans are given to the faculties to follow. The completion of courses as per the Academic Calendar, Teaching-Lesson Plans is evaluated in Academic Committee meeting organized at the Semesters' end. Feedbacks are collected in time.
2. **Strategies to Uniform Education:** Diversity of students in respect of understanding, memory, psychology and circumstance is an inherent character. Uniform education is possible after the removal of these barriers. IQAC advises the departments to conduct assessment test, bridge courses, induction programmes, etc., for the new comers and Internal Assessment, Sessional Examination, etc., to understand the students' category. Mentoring, Remedial Classes for slow learners and workshop, invited talk, etc., for advanced learners are suggested.

Following initiatives have been taken to implement the NAAC recommendations

1. Value and skill based certificate courses have been started.
2. Research and Development cell has been constituted.
3. Placement portal has been developed in the college website.
4. ICT based classrooms have been increased.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC of the College is instrumental in suggesting and implementing a number of quality improvement measures. Following are the two major practices that have been institutionalized as a result of IQAC initiatives.

Teaching and Learning

To improve the teaching-learning process, Academic Committee meeting has been organized twice in a Semester- at the beginning and at the end of odd and even semesters. At the 1st meeting, all the faculties are suggested to conduct the classes as per the teaching and lesson plans. At the second meeting, information of course completion, internal assessment, etc., are collected and necessary suggestions are given. Suggestions for bridge courses, induction programme and remedial classes are given.

Mentoring the Students

The objective of the Practice is to motivate, support and guide the mentees to face the academic and non-academic challenges. Mentoring is followed by every department under a prescribed mechanism of record keeping sheets and grouping of mentees. Mentees are divided semester wise and concerned HODs appoint mentors for different semesters. Counselors are also invited to provide mentoring.

The following initiatives are also taken by IQAC:

- Preparation of Perspective plan.
- Preparation of Academic Calendar.
- Timely submission of AQAR
- Collection and analysis of stakeholders' feedbacks.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

IQAC reviews the teaching-learning process and methodologies of operations, learning outcomes in a planned manner as follows.

1. **Planning and Evaluation of Teaching-Learning: Effective teaching** requires proper planning. To meet this objective, IQAC prepares the Academic Calendar and formats of Teaching-Lesson Plans and reviewed in Academic Committee Meeting. After approval, the plans are given to the faculties to follow. The completion of courses as per the Academic Calendar, Teaching-Lesson Plans is evaluated in Academic Committee meeting organized at the Semesters' end. Feedbacks are collected in time.
2. **Strategies to Uniform Education: Diversity of students** in respect of understanding, memory, psychology and circumstance is an inherent character. Uniform education is possible after the removal of these barriers. IQAC advises the departments to conduct assessment test, bridge courses, induction programmes, etc., for the new comers and Internal Assessment, Sessional Examination, etc., to understand the students' category. Mentoring, Remedial Classes for slow learners and workshop, invited talk, etc., for advanced learners are suggested.

Following initiatives have been taken to implement the NAAC recommendations

1. Value and skill based certificate courses have been started.
2. Resarch and Development cell has been constituted.
3. Placement portal has been developed in the college website.
4. ICT based classrooms have been increased.
