

Report of Student- Teacher Exchange Program

Organized by

Dept. of Mathematics, Pub Kamrup College with the Central Institute of Petrochemicals and Engineering and Technology (CIPET)

The Department of Mathematics, Pub Kamrup College organized a student- teacher exchange program with the Central Institute of Petrochemicals and Engineering and Technology (CIPET), Guwahati on 30th November, 2023. In this program, the Director of the Institute taught the students the techniques of learning Mathematics and how mathematics helps students to become entrepreneur in future. Besides, the participating students were shown the advanced level of laboratory equipments for studying mathematics. A total of 30 sixth semester students of Pub Kamrup College participated in the program along with Rina Deka, HoD, Mathematics and Indushri Patgiri, Assistant Professor of Mathematics. This exchange program motivated students to choose Mathematics as a career.
