Akalesh Kumar Verma

13-10-23

On this day, the 12th lecture of the Golden - Jubilee Lecture Series on "Freshwater Pearl Culture for Entrepreneurship Development" was held at the Department.

Our resource person, Dr. Akalesh Kumar Verma, Asst. Professor, Cotton University arrived at the department at 10:30 am. The lecture started at 11:30 am in our college auditorium. Vice Principal (Mrs. Narayan Goswami), G.B. President (Prof. M.C. Kalita), Dipak Kumar Bis and other fellow faculty members were present.

Dr. Verma talked about the various strategies of business in pearl culture, about the techniques used, and the materials required for pearl farming.

The talk ended at 1 pm.

The 2nd session (Hands-on training) started after lunch at 2:30 pm. Students were taught to make dough (for nucleus), making nucleus in moulds and nucleus implantation.

The hands-on session ended at 5 pm.
