Organizer: **Department of Mathematics, Pub Kamrup Collge**

Date: 17-12-2021

Resource Person: **Dr. Hemanta Kr. Sarma, Professor, Department of Mathematics, Gauhati University**

Number of participants: **110**

On the date of Dec 17, 2021, Department of Mathematics Pub Kamrup College organized a carrier oriented lecture on “In Search of Carrier” meant for the students of the college. This program was organized in connection to the year wise celebration of the Golden Jubilee Program of the college. Mrs. Rina Deka, Head of the Department of Mathematics of the College conducted the entire program on behalf of the College. Dr. Hemanta Kr. Sarma, Professor, Department of Mathematics, Gauhati University delivered the talk on the carrier prospects available in the diverse fields under the Central and State governments, entrepreneurship and self-employment opportunities.

Prof. Sarma also interacted with the gathering and inspired them to engage themselves and strive for carrier advancement. The program was concluded with a note of vote of thanks to the resource person, the participants and with light refreshment.
