

## Resolutions of the meeting (10/02/2024)

Following are the important resolutions adopted after a thorough discussion by the members present in the meeting.

Resolution No. 1: It was unanimously resolved that all the teaching staff in their concerned departments will bear the responsibility of mentoring their departmental students in a systematic and effective manner so that needy students get proper guidance for their all round development along with good academic performance.

Resolution No. 2: In line with the earlier practice of preparing Lesson Plan/Teaching Plan, this time also (for the Even Semester students) teachers in their respective departments will practice and follow the concerned plans for creating a better academic environment and academic excellence.
