PUB KAMRUP COLLEGE
Accreditated by NAAC with B++ Grade

PUB KAMRUP COLLEGE
P.O.- Baihata Chariali, Kamrup, Assam, PIN - 781381
College website: www.pubkamrupcollege.co.in
E-mail : principal@pubkamrupcollege.org

From The Principal's Desk

Welcome to the Pub Kamrup College community. As representatives of our institution, including students, teachers, stakeholders, and our esteemed Governing Body, I extend a warm welcome to all aspirants for the upcoming academic session of 2024-'25.

As you know, Pub Kamrup College, affiliated to the first university of the north east, the prestigious Gauhati University is an institution of general higher education with Humanities and Sciences as its core disciplines, added with a few self financed professional courses. In our college, the +2 (Higher Secondary) classes in both the streams are still existent until the govt. implements its policies and promises to curb it to amalgamate these classes to the higher secondary schools.

In addition to our existing UG programmes, Pub Kamrup College is also offering postgraduate courses under Assam Science and Technology University (ASTU). These include M.Sc programs in Biophysics, Physics, Computer Science, Zoology, M.Voc in FPQM, and an Integrated M.Sc in Biophysics.

Our institution has undergone revitalization, bolstering faculty, infrastructure, and the socio-emotional fabric to deliver holistic, learner-centered education. We believe in universal and inclusive education as the cornerstone for nurturing well-rounded, creative individuals, essential for vibrant, socially engaged communities and a prosperous nation.

Pub Kamrup College holds a strategic advantage due to its locality, serving as a beacon of education in the greater Baihata Chariali area and neighboring districts of Assam. This advantageous location fosters community engagement and provides students with unique opportunities for experiential learning and practical exposure to local socio-economic dynamics.

High-quality higher education, aligned with the landscapes of knowledge and employment, is our constant endeavor. Guided by the principles of the Sustainable Development Goals (SDGs) — People, Planet, Prosperity, Peace, and Partnership — we aim to contribute to national development as outlined in the New Education Policy 2020.

Although resource constraints are a challenge, our collective efforts, supported by dedicated colleagues, stakeholders, students, and the visionary Governing Body, ensure resilience and progress. We remain unwavering in our commitment to quality education, always striving to meet unlimited demands with limited resources.

In a grand culmination of its illustrious history, Pub Kamrup College celebrated its Golden Jubilee with a spectacular closing ceremony held from November 17th to 19th, 2023. This momentous occasion marked fifty years of excellence in education and service to the community, reflecting on the college's rich legacy and achievements.

Equipped with ICT-enabled classrooms, a well-stocked library, state-of-the-art facilities including a computer laboratory, indoor stadium, and gymnasium, we strive to provide technology-based, inclusive education in a disciplined and vibrant environment.

Since the last academic session of 2023-24, Pub Kamrup College has admitted the first batch of FYUGP (Four Year Undergraduate Program) students under Gauhati University, following the guidelines set forth in the New Education Policy (NEP) of 2020. Assam Science and Technology University (ASTU) is also set to commence admissions under NEP 2020 guidelines through the eSamarth portal for various programs from academic session 2024-25.

I am privileged to be part of the Pub Kamrup College family, supported by dedicated teachers, staff, and an active Governing Body. Welcome once again to Pub Kamrup College for the academic session of 2024-'25.

Regards

Dr Bhupen Kumar Sarma
Principal

VISION

Pub Kamrup College envisions to be one of the pioneer higher educational institutions of the state. It aims to impart quality education to the students from all sections of the society and thereby, enable them to meet the needs and challenges of time. The College envisages to erect the proper platform for the teachers and the taught to mould intellectually and morally, combined with social commitment for building social order and discipline amidst the plurality and diversity of religion and culture of the nation.

MISSION

Pub Kamrup College has been working with a mission to provide quality education to the young generation to prepare them as responsible citizens of the nation to face the challenges of time.

1.00 The College:

1.01: Pub Kamrup College, located at Baihata Chariali, Kamrup- Assam is an institution of general higher education with a limited number of professional and add-on courses. This College was established in 1972 as a result of decade-long popular craving and unrelenting effort for such an institute. The College fraternity as well as the locality at large is grateful to the concerned doyens for their able guidance and leadership in the act of initiation of the College. Started with Arts stream, there are a total of 50 permanent teaching positions (5 lying vacant); additionally a good number of Guest faculty members are engaged in all the three faculties- Arts, Science and Vocational Courses, and in a few professional courses in the College at present.

Baihata Chariali, though semi-urban in nature, is a busy centre of trade, academic activities, and of communication. It is the junction point of two National Highways- 15 and 27. The Madan Kamdev Devalaya (remnant of the 10th- 12th century shrine, now a govt. recognized tourist spot) is at a distance of 2 kms from the College.

The new visualization in the changing scenario: Education is elemental for reaching at full human potential as well as for developing an equitable and just society, and promoting national development. Our country has envisioned making India a leader on the global stage in terms of economic growth, social justice and equality, scientific advancement, national integration, and cultural preservation. Only a universal high-quality education can guarantee development and maximization of India's rich talents and resources for the good of the individual, the society, the country, and the world.

Pub Kamrup College has been made ready for high-quality higher education catering to the needs of learners coming from a diverse background in terms of both economic and socio-political concerns. Necessary infrastructural, pedagogical, administrative and psycho-social rearrangements have been designed in response to the lofty goals and SDGs proclaimed in NEP, 2020. We will, in our part, leave no stone unturned to contribute to the national agenda of getting promoted to a global study destination.

1.02 NAAC Accreditation: The College was awarded 'B^{++}' Grade with CGPA 2.80 in its 3rd cycle of assessment during 24 – 25 January, 2023.

1.03 Infrastructure

i. Total land area: 6.07 acres.   ii. Total built-up area 2.55 acres.

iii. Laboratories: All teaching departments with practical curriculum are equipped with quality laboratory facilities. The laboratory of the DBT sponsored Advanced Level Biotech Hub is an added apparatus for scientific experiments in the college. **The laboratory of the Computer Science Department is a recognized laboratory for Ph.D. research.**

2.00 Programmes offered

 The following programmes are offered in the College.

2.01   Higher Secondary Classes (Under Assam Higher Secondary Education Council):

This two year Course is to be undertaken with following Subject combination -

i.   Compulsory Subjects: MIL (Assamese), English & Environmental Science in both the streams Arts & Science.

ii.   Elective Subjects : Every Student will be offer to choose four elective subjects from the following combination:

(a) Arts stream : Economics, Education, Political Science, Logic & Philosophy, Advance Assamese/History/ Mathematics, Geography/Statistics, Computer Science.

(b) Science stream : Physics, Chemistry/Logic & Philosophy, Mathematics, Biology/ Economics, Geography/ Statistics, Introductory Computer Science.

2.02 A. Four Year Under Graduate Programme (FYUGP) in Arts and Science under NEP Affiliated to Gauhati University

B. Professional Course

Four Year under Graduate Programme (FYUGP) in Discipline

    a.   Vocational

    b.   Computer Application

    c.   Business Administration)

C. PG Course (Affiliated to Assam Science and Technology University)

Integrated M.Sc. in Biophysics, M.Sc in Biophysics, Physics, Computer Science, Zoology, M.Voc. in Food Processing and Quality Management, Software Development and System Administration

D. Diploma course

1. Travel and Tourism Management (TTM)

2. Advanced Medical Laboratory Technician (ADMLT)

E. Certificate Courses

Satriya Nritya, Borgeet, Khol Baddya, Mushroom Cultivation, Entrepreneurship, Sericulture, Basic Computer Literacy, Artificial Intelligence, Spoken English and communication, Weaving and Handloom Textile, etc.

List of Subjects

Arts	Science	Vocational
Assamese, Economics, Education, English, Geography, History, Mathematics, Philosophy, Political Science, Statistics	Botany, Chemistry, Computer, Science, Economics, Geography, Mathematics, Physics, Statistics, Zoology	Food Processing and Quality Management Information Technology (Software Development and System Administration)

3.00 Admission Procedure:

Admission to the Higher Secondary Courses is governed through the Darpan portal as mandated by the Govt. of Assam.
www.darpan.ahseconline.in or www.ahsec.assam.gov.in

Admission to the UG programme is governed through the Samarth portal
www.assamadmission.samarth.ac.in (Samarth Admission Portal)

Intake capacity in 1st year/ Starting Semester

Sl No	Classes	Intake Capacity
1	HS (Arts)	250
2	HS (Science)	150
3	BA	700
4	B.Sc.	600
5	Honours in every department	60
6	BVoc	50 (FPQM) + 50 (IT)
7	BBA	40
8	BCA	50

PG Courses

Affiliated to **Assam Science and Technology University** (ASTU)

Mode   : **Self financed**

SL No	Courses	Intake Capacity
1	Integrated M.Sc in Biophysics	20
2	M.Sc in Biophysics	15
3	M.Sc in Computer Science	30
4	M.Sc in Physics	27
5	M.Sc in Zoology	25
6	M.Voc in Food Processing and Quality Management (FPQM)	15

4.00 Fee Structure

4.01 General Courses: Structure of fees will depend upon related government policy and notifications which will be announced accordingly through the college website, and in the notice board in the campus.

4.02 Self Finance Courses

Vocational Course : BVoc

For Semester 1	Admission Fee	Semester enrolment fee	Total
BVoc in Food Processing and Quality Management	4000/-	8000/-	12000/-
BVoc in Software Development and System Administration	4000/-	8000/-	12000/-
Subsequent Semesters (Per semester)			
BVoc in Food Processing and Quality Management		8000/-	8000/-
BVoc in Software Development and System Administration		8000/-	8000/-

Professional Course : BBA & BCA

Course	Admission Fee (Payable only in the first semester)	Per Semester enrolment Fee	Total
BBA	4000/-	8000/-	12000/-
BCA	4000/-	8000/-	12000/-

4.03 PG Courses

For Semester I	Admission Fee	Semester Fee
Integrated M.Sc in Biophysics	4000/-	8,000/-
M.Sc in Biophysics	3000/-	22,000/-
M.Sc in Computer Science	5000/-	30,000/
M.Sc in Physics	5000/-	30,000/-
M.Sc in Zoology	5000/-	30,000/-
M.Voc in Food Processing and Quality Management (FPQM)	3000/-	22,000/-

Subsequent Semester (Per semester)

	Semester Fee
Integrated M.Sc in Biophysics	8,000/-
M.Sc in Biophysics	22,000/-
M.Sc in Computer Science	30,000/-
M.Sc in Physics	30,000/-
M.Sc in Zoology	30,000/-
M.Voc in Food Processing and Quality Management (FPQM)	22,000/-

5.00 Course structure in four year under graduate programme (FYUGP) under NEP

The Four-Year Undergraduate Programme (FYUGP) of Gauhati University is as per UGC's Curricular Framework, published in November 2022. The course structure of FYUGP is built on the Choice-Based Credit System (CBCS). Under the NEP's FYUGP, it is a 4-year degree programme with the provision of multiple exits and entries, leading to the award of certificate, diploma or a degree. In FYUGP, we get a Bachelor's Degree with Major after 3 years and a degree with Major & Honours after 4 year.

The FYUGP at GU is designed to offer two types of Bachelor's Degrees to the students at the end of the successful completion of the programme — (i) Bachelor's Degree in a Stream and (ii) Bachelor's Degree in a Discipline. The FYUGP is divided into two parts — (i) Core Courses and (ii) Common Courses. The minimum credit allocation for a 3-year programme is 84 credits in Core Courses and 36 credits in Common Courses, which comes to a total of minimum 120 credits for a 3-year programme. With the fourth year, the minimum credit requirements becomes 160. A student can however earn up to a maximum of 132 credits in a 3-year programme and 176 by the fourth year.

5.01 Core courses

The Core Courses determine the ultimate degree, diploma, or certificate a student will earn at the end of third (or fourth) year, second year, or first year, respectively. The performance in the Core Courses will also determine the grade of the student in the final examinations. Total minimum credit requirement is 84 for the Core Courses, which translates to 21 courses (i.e. papers) with a credit allocation of 4 per course (paper). A student will need to study at least three Core subjects. The Core Courses have to be chosen among a plethora of subjects offered in our college (see the section 2.02 for subject studied in our college) for both the types of degrees, respectively. In case of a Bachelor's Degree in a Stream, the components of the Core Courses are Major and / or Minors, while in case of a Bachelor's Degree in a Discipline, there are no Majors and Minors.

5.01 (a) Major and Minors

In case of a Bachelor's Degree in a Stream, a student either chooses a Major and Minors or just Minors from among the subjects. In any case, a student needs to complete 21 courses or 84 credits by the third year. Please see the examples that we have given in this booklet. A Major course MUST carry a minimum credit of 60 and a Minor course should carry a minimum credit of 12. Usually, for majority of the students, the Core Course will consist of one Major and two Minors. But if a student desires, using the free credits (as described earlier), s/he can easily complete a third Minor as well

5.01 (b) Common courses

The common courses are to be studied by all students alike and all-together they carry a total credits of 36 over a 3-year period. These courses are further divided into five (5) subcategories, as described below.

A. Multi-disciplinary Courses

These are 3-credit courses spanning over two different groups of subjects in our college- (i) Natural and Physical Science (MUST for Arts stream), (ii) Humanities and Social Sciences (MUST for Science stream). The level of these courses is of Class XII. Each student need to take at any three papers, each with 3-credits from these sub-groups during Semesters 1-3.

B. Ability Enhancement Courses (AEC)

This is an 8-credit course covering Modern Indian Languages (MIL) and English Usage (Communication). Each student needs to complete two papers of 4-credits each – one from English Usage and other from the group of MIL, especially designed for this purpose. These courses have to be taken during Semesters 1-2 and 5-6.

C. Skill Enhancement Courses (SEC)

These are various skill courses with total credit allocation of 9 needs to be studied during Semesters 1-3, each having 3 credits.

D. Value Added Courses (VAC)

The VAC courses in the College will have two sub groups — (i) Understanding India, and (ii) Environmental Education. All together they will have a credit allocation of 6 to be completed during semester 1, 2 and 4.

E. Internship

All students are to carry out an Internship with a credit allocation of 4. The internship can be carried out in Semester 3.

The fourth year

In the FYUGP, the fourth year is at par with the first year of a Master's programme, as a student can directly take admission into the second year of a Master's programme after the successful completion of the FYUGP. In the fourth year, a student has to complete one compulsory paper on Research Methodology (REM) in the Semester VII, which is a 4-credit theory paper. The rest of courses will consist of Advanced Core Courses and a Dissertation. The detailed structure for the fourth year will be published soon.

6. 00 Core Course options
6.01 Degree in a Stream

The complete curricula for GU-FYUGP are as follows.

a. Degree with Major and Minors

Core Courses options — Option for a Major and two Minors

In this case, a student takes a Major subject with minimum 15 courses and two Minor subjects with a minimum of 3 courses each over a period of three years. Apart from these, the student also needs to take 3 Core courses during Semesters 4-6 where s/he can pick any of the three core subjects s/he has already studied

b. Degree with only Minors

Core Courses options — Option with only Minors.

In this case, a student takes a three Minor subjects each with a minimum 6 courses over a period of three years. Apart from these, the student also needs to take 6 Core courses during Semesters 4-6 where s/he can pick any of the three core subjects s/he has already studied.

7.00 List of prerequisites & requirements for core course and common course options

The prerequisites are subjects that a student must have studied (and passed) in an earlier level of education (usually Class XI & XII) in order to be able to choose a subject. In contrast to the prerequisites, requirements are certain conditions attached to some core subjects. For example, if a student wants to study Botany as a core subject, Chemistry as another core subjects has to be chosen. This is a 'requirement'. However, if one chooses Chemistry, there are no requirements. In following table, the prerequisites and requirements for various courses are given.

Subject	Prerequisites	Requirements
Assamese	Assamese (X-level) for Minor & (XII-level) for Major	None
English	English (XII-Level)	
Economics	None	
Education		
History		
Philosophy		
Political Science		
Chemistry	Chemistry AND Math (XII-Level)	None
Physics	Physics AND Math (XII-Level)	Math
Mathematics	Math (XII-level)	None
Statistics	Math (XII-level)	
Botany	Biology (XII-level)	Chemistry
Zoology	Biology AND Chemistry (XII-Level)	
Geography	None	None
Computer Science	Science AND Math (XII-Level)	
Computer Application	Science AND Math (XII-Level)	
Business Administration	None	None
FPQM		
IT (SDSA)		

8.00 Degree in a Discipline

Pub Kamrup College offers following degrees in discipline under GU-FYUGP. These are mentioned below:

1. BVoc in Food Processing and Quality Management
2. BVoc in IT (Software Development and System Administration)
3. Bachelor Degree in Computer Application

4. Bachelor Degree in Business Administration
   The salient features of degree in a discipline are as follows
   • Has the same FYUGP structure – i.e. Core Courses with a minimum of 84 credits and Common Courses credits of 36 (in a 3-year programme).
   • No Majors or Minors.
   • Students study certain pre-defined courses designed for the respective discipline

   Unlike the FYUGP in a stream i.e. B.Sc or BA, students admitted into a degree in a discipline need not require to study three different subjects in a semester. Instead they have to study three different courses from the same subject as the Core course. The course structure for the common courses remains the same like in B.Sc or BA degree.

9.00 Teaching, Research, Organisation

9.01 Teaching: The entire College fraternity is single-mindedly devoted to the task of nurturing the career and character building efforts of students coming from diverse economic background, social milieu and academic environment. At present the number of regular students in the college is **3246**.

Well-planned teaching, path-finding counseling, frequent use of ICT tools, upgraded classroom and readily available handouts are the basic methods and amenities that the fundamental teaching- learning process is enriched with.

The teachers of the college do realize their key role to play in the knowledge landscape in the present scenario while shaping our next generation of citizens. They always try to contribute with high quality teaching and single minded devotion in other duties to deliver their public service as teachers. They atone and enrich their subject knowledge through regular research publications in reputed journals, and in book forms. Extensive use of technology like smart class, use of ICT and other technological advances is one of the top priorities among the teachers. The number of full time teacher in the college at present is 61.

9.02 Research: Research is considered a corequisite for high-quality higher education. With proper focus on this area, the laboratories in various departments have been upgraded to meet up the demand of the new curricular needs. The DBT funded Advanced level Biotech Hub in the college, established in 2011 is an added vista in the research landscape of the college. The laboratories of the Computer Science Department and Biophysics of the college has been recognized as a Ph.D. research laboratory by Gauhati University. The vocational courses in the college are courses contributing to the research and innovation, especially in the fields of food science and computer software. Addition of B.Voc and M.Voc in Food Processing and Quality Management, and B.Voc. in Software Development and System Administration have proved to be innovative chapters in a the entire district, namely Kamrup. This department has developed specific innovative culture among student communities. Even the election to the students' body of the college is conducted through a Computerized Voting System with unique software developed by student of the vocational course in Software Development and System Administration.

The Teaching Fraternity of Pub Kamrup College is earnestly engaged in various forms of research works in different fields and areas. A good number of teachers of the College are pursuing Ph.D. works; some others have already attained Ph.D. and M.Phil. Degrees. The teachers endeavour to promote academic excellence in the College by holding departmental seminars, symposia and workshops of State and National status. Teachers of the College are frequently engaged in subject related Research Projects. Students are provided the opportunity of availing exposure to reputed institutions, sites of cultural,

environmental, historical and archaeological importance in order to acquaint them with the potential areas of specialized higher studies and research.

9.03 Organization: The College believes in achieving targets through a process of decentralized committee structure. The **IQAC** (Internal Quality Assurance Cell) of the college which was established in 2004 is the major organization to maintain and enhance the overall quality of the College. In addition to the IQAC the college has constituted the following cells for a smooth functioning.

1. Academic Committee
2. Academic Monitoring Committee
3. Pub Kamrup College Teachers' Unit (A unit of Assam College Teachers' Association- ACTA)
4. Pub Kamrup College Unit of Assam College Employees' Association
5. Women Cell, Pub Kamrup College
6. Science Forum, Pub Kamrup College
7. Pub Kamrup College Students' Union.
8. Extension Education Cell
9. Skill Hub
10. Extension activity Cell
11. Mentor-Mentee Cell
12. Placement Cell
13. PKC Media Cell
14. Centre for Career Guidance and Training
15. Grievance Redressal Cell
16. Anti Ragging Cell
17. SC/ST/OBC Cell
18. Internal Committee of PKC
19. Research and Development Cell
20. National Service Scheme (NSS)
21. Rover and Ranger
22. Eco Club PKC
23. Committee of Cultural Development
24. Sports Management and Development Cell
25. Sankardev Adhyayan Kendra (Centre for Sankardev Studies)
26. Centre for Skill and Entrepreneurship
27. Traditional Knowledge Hub
   The college also has its own distinct departmental forums.

10.00 Major features :

Regular interaction with eminent personalities, academicians, scientists, administrators & researchers from different areas

- Computerized student feedback system
- Well stocked library enriched with diverse collection of books, rare manuscripts, national and international journals, magazines & e-resources
- Uninterrupted power supply added with DG set and Solar Power Plant
- Sophisticated Biotech Laboratory
- Campus-wide internet connectivity

- Regular exposure for students through educational tour to leading academic & research institutes of the nation, and places of natural, historical & archaeological importance
- Assignment of field work/ project work on areas of local importance
- Summer research project for students
- Encouragement in extra & co-curricular activities
- Regular student-exchange programme with other institutions
- CCTV surveillance
- Student counseling
- Job & career avenue display
- Air conditioned computer learning center for students
- State-of-the-art conference hall
- Digital class room
- Printing press
- Multi gym
- Indoor stadium
- Regular practice of different indoor games

11.00 Concern for a Green Earth

Pub Kamrup College maintains sincere concerns for a green earth. Various programmes and agenda have been designed out towards that end. The primary objective is to make the students aware about the undeniable truth that the earth is the only planet for us to live in. A micro-forest project has been initiated very recently. Seminars and popular talks are regularly organized to introduce the students with the latest environment concerns such as Decarbonization, Green Energy, Plastic Free Environment, Sustainable Development Plans, Global Warming etc.

The solar energy plant of the college is an example of our serious concern about a green earth.

Green Diary: All the students of this college are required to mandatorily maintain a 'Green Diary' during their stay in the college.

Environmental Sciences Studies is offered in the college as an integral subject of the university curriculum. What the College innovatively adds is compulsory maintenance of a 'Green Diary' since 2012-13 by every student under which each student has to plant at least three saplings in his/ her homestead and has to maintain the record of nurturing the same, and other environmental activities done by him/ her during the course hours. The 'Green Diary' is evaluated annually and in BA/ BSc 4th semester, this diary becomes a partial fulfillment of their project work in environmental studies evaluated for 10 marks assigned in the syllabus. Moreover, the college rewards the best student at the end of the academic session for excellence shown in maintaining Green Diary as well as the saplings planted. This is a humble effort for promotion of environmental awareness among the students.

12.00 Publication

12.01 College Magazine: পূব কামৰূপ মহাবিদ্যালয় আলোচনী (Pub Kamrup College Magazine), published annually is considered as the mouthpiece of the College Students' Union. It is the rearer of young talents in the fields of art and literature.

12.02 Departmental Publications: Some departments have their own Departmental Publication where the respective departments try to inspire the students to mull over the latest developments and to reflect on the same. Darsânâ of Philosophy Department, Seuji of Geography Department, Rajniteeka of Political Science Department and Striving Zeal of English Department are among such publications. *Doriyali* and *Pragyan* are the hand written publications by the Department of Assamese and Department of Education respectively.

12.03 Wall Magazines: Every Department regularly brings out issues of its wall magazine as an attempt to nurture and encourage the students to pen their ideas on both contemporary and enduring issues.

12.04 Pocket Magazine *:* পূব কামৰূপ কলেজত বসন্তৰ ধেমালি is a regularly published pocket magazine edited by students during *Rongali Bihu* Festival.

12.05 Books: The College initiates publication of books by either individual member, group of members or by itself. The latest publication printed in College Press in book-form is Innovative practices in teaching learning and evaluation in higher education.

12.06 Souvenir: The College takes the initiative to publish Souvenir on some special occasions.

In addition, different books are being published authored by different faculty members of the College from their end.

12.07 College Journal : "The Quill: An Inter-disciplinary Journal of Humanities and Social Sciences" is a literary endeavor of the College to bring out a compilation of scholarly articles and book reviews.

13.00 Encouragement

13.01 Scholarship

The bonafide students of the College are entitled to apply for the following scholarships :

i. Pub Kamrup College Merit Scholarship

ii. INSPIRE Fellowship (http://www.inspire-dst.gov.in/fellowship.html)

iii. Combined Merit Scholarship (http://www.dheassam.gov.in /scholarship.asp)

iv. National Scholarship Portal (https://scholarships.gov.in)

- ◆ .Ishan Uday Scholarship (For North Eastern Region)
- ◆ National means cum merit scholarship
- ◆ Financial support to the students of NER for higher professional courses (NEC Merit Scholarship)
- ◆ Post Matric Scholarship for SC, ST & OBC
- ◆ Minority Scholarship
- ◆ Central Sector Scheme

v. AFNA sponsored Kaushik Das Memorial College Scholarship (AKADMICS)

(http://new.assamfoundation.net/index.php/projects/akadamics)

vi. SR Jindal Scholarship

13.02 Awards offered by the College

i) PKCTU Merit Award : 'Pub Kamrup College Teachers' Unit Merit Award' is conferred annually on the student securing highest marks among the HS Final Examination candidates from both the streams- Arts and Science, and on the student securing highest marks among the candidates of the Final Examination of FYUGP from this College.

ii) NBMT Merit Award : Generated with a fund donated by the family of late Navajyoti Bhattacharyya, an ex-student, 'Navajyoti Bhattacharyya Memorial Merit Award' is conferred on the student securing highest marks above 50% in English Major in the Final Examination of FYUGP, failing which the same goes to the one securing the highest marks in Major among the candidates of the Final Examination of FYUGP from the College.

iii) Cash Prize in Zoology : A cash prize of Rs. 5000/- is awarded to the Zoology Major student securing highest Mark in the Final Examination of FYUGP from this College.

iv) Cash Prize in Statistics : A cash prize of Rs. 2000/- is awarded to the Statistics Major student securing the highest marks among the Honours students in the Final Examination of FYUGP.

13.03 Financial Assistance

Poor Aid Fund: Pub Kamrup College Poor Aid Fund provides financial assistance to the students belonging to economically backward families. Every student has to contribute Rs. 10/- only to this fund at the time of admission. To avail this assistance, students are required to apply to the Treasurer of the Pub Kamrup College Students' Union when notified.

14.00 Pub Kamrup College Library: A Knowledge Centre

Pub Kamrup College Library is an academic library and inseparable part of Pub Kamrup College, established in 1972, and has been serving its members from its inception. This Library is providing various services to its users and trying to expand the wings of its

services. The total area of the Library is approx 552 sq mtr with extended reading room facility.

Collection : Pub Kamrup College Library tries to provide the users with the best sort of qualitative and quantitative documents that can be done with the available financial sources and supports. The Library holds approx 32000 numbers of books accessioned in the register.

Besides its normal book collection the Library holds a number of e–resources. The Library subscribes 12 numbers of regional News papers (Daily/ Weekly), and 9 Magazines on regular basis. Moreover a number of rare manuscripts and other archival items are also collected and preserved in its museum.

Journal Section: The Library has a subscription to 15 print journals of international and national repute, which are displayed in the Journal Section with a separate reading arrangement.

Institutional Membership: Pub Kamrup College Library is an Institutional Life Member of National Book Trust's organisation i.e. NBT Book Club.

Awards : The Library provides two awards to its student-users annually:

i Best Reading Room User Award : As an attempt to encourage the student readers, Pub Kamrup College Library confers this award on the student who utilizes the Reading Room for the longest period in the academic session.

ii Best Borrower Award : This award goes to the student who borrows the maximum number of library documents in an academic year.

Services & Facilities:

i) Reading Room, ii) Book Bank, iii) Jnankosh, iv) Computerized Circulation, v) OPAC, vi) N LIST,

vii) Open Access Journal, viii) Reprographic Service, ix) Digital Library

Srimanta Sankardeva Collection: A separate section named "A Special Collection on Srimanta Sankardeva" has recently been launched in the Library. This collection named after the 15th century neo-versatile Vaisanava Saint, is enriched with 270 + volumes both in English and Assamese on Assamese culture, neo-Vaisnavism and a few masterpieces by the great Assamese visionary.

Library webportal: The Library webportal can be accessed from the College website i.e. www.pubkamrupcollege.org

15.00 General Instructions

21.00 List of Employees

21.01   PRINCIPAL   : Dr Bhupen Kumar Sarma, M.Sc., LLB, Ph.D.

**   Vice-Principal   : Mr. Narayan Goswami, MA, B.Ed.**

21.02 TEACHING STAFF (with specialisation/area of interest)

ASSAMESE :
1)   Dr Barnali Deka, MA (Language), PhD, PGDOL, B Muse, Assistant Professor
2)   Dr Dulumani Deka, MA (Literature), PhD, Dip in Arch, Associate Professor (On lien)
3)   Dr Nayanmoni Baruah, MA (Comparative Literature), PhD, Praveen, PGCCCW, Assistant Professor
4)   Mr Ajit Kalita, MA (Literature), Assistant Professor & HoD
5)   Dr Dhiren Baro, MA (Literature & Language), MPhil, PhD, Assistant Professor

ECONOMICS :
1)   Mr Narayan Goswami, MA (Econometrics, Mathematical Economics), BEd, Associate Professor, HoD & **Vice Principal**
2)   Dr Khagen Das, MA (Econometrics, Mathematical Economics & Public Finance), PhD, Associate Professor
3)   Dr Pankaj Kumar Baro, MA (Banking and other Financial Institution), PhD, Assistant Professor
4)   Ms Hemphi Terangpi, MA (Development Economics), Assistant Professor

EDUCATION :
1)   Dr Babita Das, MA (Continuing Education), M Phil, PhD, B Muse, Associate Professor &HoD
2)   Ms Gitali Kalita, MA (Education Psychology, Mental Health and Hygiene), Assistant Professor
3)   Mr Abinash Neog, MA (Continuing Education, Educational Technology), BEd ,Assistant Professor

ENGLISH :
1)   Dr Dipen Bezbaruah, MA (Linguistics & American Literature), M Phil, PhD, Associate Professor
2)   Mr Montu Saikia, MA (Linguistics & Literary Criticism), Associate Professor & HoD
3)   Dr Vipasha Bhardwaj, MA, PhD (Indian Writing in English & American Literature), Assistant Professor

GEOGRAPHY :
1)   Mr Diganta Kumar Rabha, MA (Cartography), Associate Professor & HoD
2)   Md Ayez Ali, MA (Agriculture Geography), M Phil, Associate Professor
3)   Vacant
4)   Vacant

HISTORY:
1)   Mr Nripendra Deka, MA (Modern History), M Phil, Assistant Professor, Black Belt 3rd Dan, Dragon Kung-fu
2)   Mr Imdad Ali Ahmed, MA (Medieval History of India, Assam History, World History, Environmental History), M Phil, Assistant Professor & HoD

PHILOSOPHY :
1)   Mr Hiteswar Kakati, MA (Logic), M Phil, Assistant Professor & HoD
2)   Ms Kalpana Bhagabati, MA (Logic), M Phil, Assistant Professor
3)   Dr Monalisa Kalita, MA(Religion), PhD
4)

POLITICAL SCIENCE :
1)   Dr Dadul Dewri, MA (Public Administration, Modern Political Analysis), PhD, Associate Professor & HoD
2)   Mr Khanindra Das, MA (Sociology, Ethnic Movement), M Phil, Assistant Professor

4)   Dr Nilmi Konwar, MA (Environment and Politics Democracy and Multiculturalism in India, Public Policy Studies, International Relations), PhD, Assistant Professor

BOTANY :
1)   Mr Puspendra Kumar Sarma, MSc (Cytogenetics), Associate Professor
2)   Dr Paresh Ch. Kalita, MSc (Taxonomy), PhD, Associate Professor & HoD
3)   Dr Dipak Konwar, M Sc (Microbiology), BEd, PhD, Assistant Professor
4)   Vacant

CHEMISTRY :
1)   Md Ikram Ali, MSc (Physical Chemistry), Associate Professor & HoD
2)   Dr Gaurangi Gogoi, MSc (Inorganic Chemistry), PhD, Assistant Professor
3)   Mr Theophil Inbuon, MSc, Assistant Professor
4)   Vacant

COMPUTER SCIENCE:
1)   Mr Pratul Kalita, MCA (Artificial Intelligence, Cryptography), MCJ, Assistant Professor & HoD,
2)   Mr Dhanjit Das, M.Sc (Automata Theory, Software Engineering), Assistant Professor
3)   Ms Bandana Deka, MSc (IT), Assistant Professor
4)   Ms Latika Deka, MCA (Machine Learning), Assistant Professor

BUSINESS ADMINISTRATION :
1)   Mr Manabjyoti Gogoi, MBA (HR & Marketing), Assistant Professor
2)   Mr Dwipen Mazumdar, MCom

MATHEMATICS :
1)   Ms Rina Deka, MSc (Pure Mathematics), Associate Professor & HoD
2)   Dr Kalpana Misra, MSc (Pure Mathematics), B.Ed., PhD, Assistant Professor
3)   Miss Indushri Patgiri, MSc (Applied Mathematics), Assistant Professor

PHYSICS :
1) Dr Julie Saikia, MSc (Nuclear Physics & Cosmic Radiation), PhD, Associate Professor & HoD
2) Dr Navajyoti Choudhury, MSc (Particle Physics, Nanotechnology), PhD, Associate Professor
3) Dr Bipul Deka, MSc (Condensed Matter Physics), PhD, Assistant Professor
4) Dr Samarjit Sarma, MSc. Materials Science, Condensed Matter Physics), PhD, Assistant Professor
5) Mr Kankan Medhi, MSc, (Electronics), Assistant Professor
6) Mr Parangam Goswami, MSc, MPhil, (Condensed Matter Physics), Assistant Professor
7) Mr Pankaj Sarma, MSc, (Astro Physics), Assistant Professor

STATISTICS :
1) Ms Namita Kalita, MSc (Demography), PGDVS, Associate Professor & HoD
2) Dr Nilima Dutta, MSc (Operations Research), PhD, Assistant Professor
3) Vacant

ZOOLOGY :
1) Dr Manash Barthakur, MSc (Cell Biology), PhD, DBT National Associate, Associate Professor (on lien)
2) Miss Sarojmoni Sonowal, MSc (Biochemistry), Assistant Professor & HoD
3) Miss Richa Sharma, MSc (Fishery), Assistant Professor
4) Ms Chayanika Devi, MSc (Entomology, Nanobiotechnology), Assistant Professor
5) Ms Titikhya Borah, MSc, (Ecology & Environmental Science), Assistant Professor
6) Kamal Lochan Sarma, MSc, (Molecular Biology), Assistant Professor,
7) Manash Jyoti Kalita, MSc, (Molecular Virology), Assistant Professor

BIOPHYSICS:
1) Dr Prantu Dutta, MSc (Physical and Organic Synthesis, Catalysis), M.A, B.Ed, PhD, Assistant Professor & HoD
2) Dr Anowar Hussain, M.Sc. (Biotechnology), PhD,PGDHRM, JSPS HOPE Fellow, Assistant Professor
3) Mr Debajit Buragohain, MTech (Bioelectronics), Assistant Professor

FOOD PROCESSING AND QUALITY MANAGEMENT:
1) Mr Jishnu Deka, M.Tech, (Food Processing Technology), Assistant Professor & HoD
2) Ms Mridusmita Deka, M.Voc (Food Processing Management)

**INFORMATION TECHNOLOGY (SOFTWARE DEVELOPMENT AND SYSTEM ADMINISTRATION) :**
1) Dr Arup Sarmah, MCA (Nonlinear System), Assistant Professor & HoD
2) Mr Rahul Lahkar, M.Tech (Digital Image Processing, Computer Vision), Assistant Professor
